Part number: 1695 655 303

Accessories - Plates and Heads

Wheel balancers

Fix Plate world kit (4 Fix Plates, 10 Studs/ 25 heads / 1 Wallboard)
Part number: 1695 655 299

Wall board Fix Plate
Part number: 1695 655 305

Head / long taper / Ø 22.5 mm /
Length head 58 mm
Part number: 1695 655 313

Head / long taper / Ø 19mm /
Length head 55.6 mm
Part number: 1695 655 314

Head / Range-/Landrover / Ø 34 mm /
Length head 28 mm / total length 80 mm
Part number: 1695 655 311

Head / long taper / Ø 22.5 mm / Length
head 48 mm / total length 100 mm
Part number: 1695 655 312

Accessories - Heads

Wheel balancers

Head / Short taper / Ø 24.5mm / Length
head 28mm / total length 80mm
Part number: 1695 655 306

Head / Short taper / Ø 24.5mm / Length
head 48mm / total length 100mm
Part number: 1695 655 308

Head / Short taper / Ø 24.5 mm / Length
head 38 mm / total length 90 mm
Part number: 1695 655 307

Head / rounded head / Ø 24.5 mm / Length
head 48 mm / total length 100 mm
Part number: 1695 655 310

Accessories - Clamping solutions: miscellaneous

Wheel balancers

Certified weight for calibration (60 g)
Part number: 1695 654 376

Rubber cup
Part number: 1695 624 800

Large diameter clamping hood
Part number: 1695 653 888

Accessories - Centering kits

Wheel balancers

Special centering kit for
GM/OPEL
Part number: 1695 655 323
OEM

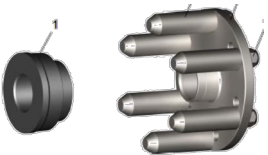

Special centering kit for BMW
Part number: 1695 656 822
OEM

Special centering kit for
GM/OPEL Expert
Part number: 1695 655 324

Part number: 1695 654 864

Plug-in stud "IV" 80mm long, Range/Land Rover, Ø 34mm
Part number: 1695 654 860

Plug-in stud "II" 80mm long, short taper, Ø 24.5mm
Part number: 1695 654 626

Plug-in stud "V" 100mm long, short taper, Ø 22.5mm
Part number: 1695 654 921

Plug-in stud 80 mm long, long taper, Ø 24,5 mm
Part number: 1695 654 553

Accessories - Plug in studs

Wheel balancers

Fixed stud, long taper 80 mm long,
Ø 25,4 mm
Part number: 1695 656 830

Plug-in stud 100 mm long, rounded
head , Porsche, Ø 24,5 mm
Part number: 1695 656 832

Fixed stud, short taper 80 mm
long, Ø 24,5 mm
Part number: 1695 656 831

Plug-in stud 90 mm long, long
taper, Ø 24,5 mm
Part number: 1695 656 833

Plug-in stud 100 mm long, rounded
head, Porsche, Ø 24,5 mm
Part number: 1695 656 832

Plug-in stud 100 mm long, spring-
loaded, short taper, Ø 24,5 mm
Part number: 1695 656 834

Accessories - Centering kits Bike

Wheel balancers

Basic motorbike wheel centering kit (14mm)
Part number: 1695 654 039

ECO motorbike wheel centering kit (14mm)
Part number: 1695 654 718

Monolever wheels centering kit+shaft (19mm)
Part number: 1695 654 060

BMW centering kit
Part number: 1695 000 259

Accessories – Adaptor Bike - Shafts

Wheel balancers

Centering shaft (Ø 14mm) for conical shaft gripping length 233 mm
Part number: 1695 604 700

Quick Fix for 14mm shaft
Part number: 1695 654 117

Centering shaft (Ø 19mm) for conical shaft gripping length 270 mm
Part number: 1695 600 254

Quick Fix for 19mm shaft
Part number: 1695 655 321

Centering shaft (Ø 10mm) for conical shaft gripping length 177 mm
Part number: 1695 653 430
